

**VISITING GUIDELINE
OSHKOSH CORRECTIONAL
INSTITUTION**

A complete list of visiting rules for all Wisconsin Department of Corrections institutions is available on the WI Department of Corrections website under Division of Adult Institutions Visiting Information. If you do not have internet access, a copy of the rules will be available in the OSCI lobby.

The Oshkosh Correctional Institution is located at 1730 West Snell Road, between Highways 45 and 76 just north of the City of Oshkosh.

VISIT ENTRANCE PROCEDURES
Oshkosh Correctional Institution is a Tobacco Free Environment. Tobacco will **NOT** be allowed to be locked in the lobby lockers upon entrance; it needs to be secured in your vehicle. Smoking is not allowed on institution grounds or in the parking lot. The visiting week begins on Wednesday and ends the following Tuesday.

With exception of vehicles with valid handicap permits, visitors are required to park their vehicles in the designated parking area. This area is in the second row in front of the main entrance. This area is between the two signs marked “visitor parking” and is clearly marked with high visibility green lines. Failure to park in this area without Supervisors permission may result in your visit being denied. If the designated “visitor parking” is full, visitors are required to inform the Lobby security staff.

In accordance with Wisconsin Administrative Code the parking lot is subject to search for any items of contraband. The Oshkosh Police Department and other local law enforcement agencies will assist in these searches with canine units. The canine unit’s searches may lead to probable cause searches of

the vehicle by law enforcement if contraband is detected.

Some Do’s and Don’ts in the visiting room

Visitors will be assigned seating when they enter the visiting room. Inmates must sit in the chair designated by the Visiting Room staff. While seated, all chairs will be squared up to the tables; chairs cannot be moved without staff approval.

If you need to use the restroom during your visit, you must obtain a key from the staff member located at the Sergeants Desk. You will need to provide your name and table number prior to receiving the key. Immediately after you have used the restroom, you must return the key to the staff member located at the Sergeants desk, once again providing your name and table number. You cannot get the key from or give it to another visitor.

Whether visits are outside or inside, adult visitors are responsible for the supervision of all minors accompanying them. Adult visitors are not allowed to be seated in the children’s play area. Visits may be terminated due to unruly minors or lack of supervision of the minors by the inmate and/or the adult visitors.

The outside area may be opened **only** at the Visiting Room Security staff’s discretion if you choose to go outside, you must remain there. If you choose to come back inside, your visit will end at that time. The only exception would be inclement weather as determined by the Visiting Room staff.

While using the outside area, inmates and visitors may not loiter under the awning. You must be in plain view of the tower at all times. All outside visits will take place by the tables, as assigned by the Visiting Room staff. There will be no moving of tables, inside or outside. Inmates will sit where assign by staff and visitors will sit across from the inmate while seated at the picnic tables. You may not sit on the tabletops or straddle the benches; no visitors will be allowed to sit on the ground. Visiting with anyone not sitting at your table is not allowed, unless special permission has been granted prior to the visit.

The visiting room restaurant does not accept cash. All food purchases from the restaurant will be made by using a money transmittal from the inmate’s

account. **ONLY POSTED AMOUNTS CAN BE USED.** There will be no exceptions. Orders for food will need to be fully completed at your individual table and the money transmittal will be verified by the visiting room staff prior to receiving services. Incomplete orders will run through as is or as chefs choice. There will be no corrections or refunds. The restaurant is only opened as scheduled, and these schedules are posted a month in advance. Please plan accordingly. Only authorized staff and inmates may enter the training kitchen area for any reason.
